

## Support Genie Ethical Policies

Support Genie have 4 foundational responsibilities:

1. To promote health. To render health services to the client and their family, and coordinate the support services that will directly benefit the health and wellbeing of their client.
2. To prevent illness. To act with vigilance to prevent the spread of contagious disease.
3. To restore health. To ensure that the client receives accurate, sufficient and timely information, treatment and/or support services.
4. To demonstrate professional values. Support Genie core values are excellence care, integrity, respect and trustworthiness.
